

# NEXT WAVE SICILY TOUR

We need you to join us for the s/y *Next Wave's* tour of Sicily! This tour will bring the Gospel to the communities of nine major Sicilian ports. The centerpiece for the evangelistic tour in each port is the evening event featuring short video presentations, a sharing of testimonies, songs from Italian professionals, prayer and an invitation to accept Christ. A collaboration of crew from the YWAM- Marine Reach Ministries sailing yacht '*Next Wave*', YWAM missionaries and many churches in Sicily will join together; this event provides a great opportunity for God's blessing on the island of Sicily. Come and be a part of fulfilling God's vision given to YWAM of young missionaries taking the Gospel into all nations like waves crashing on the shore!
